The Narcotics Anonymous message is "that an addict, any addict, can stop using drugs, lose the desire to use and find a new way to live." Our relations with the public enable us to share this message broadly so that those who might benefit from our program of recovery can find us. We perform public relations service to increase the awareness and credibility of the NA program. We share our message openly with the public at large, with prospective members, and with professionals.

Our goal of this learning day is to supply our local community with information and materials to help those who may be struggling with addiction.

Please join us as a valuable member of our community.
