NEWS FROM NAWS

Send A Virtual Hug

In response to requests from members, you can now contribute in memory of someone, for someone's NA anniversary, or even just to send a virtual hug. If you click the Send Some Love option on www.na.org/contribute, after you make your contribution and indicate the occasion and recipient, you will be taken to a page where you can select a card to send to let someone know you have contributed in honor of them or their loved one.

60th Anniversary Little White Book

This year marks the 60th anniversary of the Little White Book (LWB). Did you know that over the past 20 years, communities have been publishing local stories in the LWB, in accordance with the policy described in A Guide to World Services in NA? In addition to the eight stories in the English-language version, 85 more stories are published or forthcoming in 13 other language versions of the LWB. To celebrate the Little White Book's diamond jubilee, we intend to collect all 93 of these stories in one special edition Little White Book.

New Literature: Spiritual Principles

Thanks to our collective efforts, a book that explores a spiritual principle each day of the year is taking shape. As you may recall, the 2018 World Service Conference initiated this work by approving a project plan for work over two Conference cycles. Since then, we've been busily engaged in creating a book that's truly by addicts, for addicts. We anticipate publishing an approval draft for the book in the 2022 Conference Agenda Report.

HOMEGROUP COMPETITION

PUBLIC RELATIONS

Poster Day

You're invited to join the PR subcommittee for an event filled with fellowship & friendly competition.

Public Relations is a fundamental part of fulfilling our primary purpose & we encourage you to come learn about all the ways in which it does that. As well as participating in a homegroup competition to see which group can work together to hang the most posters. Progress will be tracked with fun selfies & the winning group will win a trophy!

SEE YOU THERE!
