ACTIVITIES:

Report:

Activities will be meeting the last Sunday of every month at The Last Connection @ 9:00am
2740 Bayshore Dr Unit 16

The subcommittee could always use more support, so we are hoping more people will be attending this coming month to show newcomers that we can have fun clean & in recovery.

Thank you all that came & supported Game Night. It went very well, with an average attendance of about 40 people, about 60 people came all together. There was 11\$ not used from the seed money, & \$132 in donations, so \$143 was turned back in to the area via cash app.

The next event we have planned, is a volleyball game on Sunday March 27th immediately following the Alive & Free meeting so it would begin around 11am. This is a free event. We are

encouraging people to carpool or to arrive early because of limited parking. The flyer is attached to this email.

Also we are planning a softball game for the month of April in hopes of inviting gulf coast, more will be revealed.

Beach unity day is still set for Sunday June 26 & we are continuing to plan this.

We will be meeting again on Sunday March 27th @ immediately following the volley ball game at Lowdermilk Park.

Also, in regards to the Activities Facebook page, if you are not on it, please let me know, if you are please invite any Na members that are on your friends list. That is where we will be posting our flyers & anything in the future & we are trying to utilize that page.

Thanks for letting me serve,

POLICY:

Policy meets the Monday after area on the Sunset Coast Area zoom account at 5:30 pm, Info will be attached. We are a small committee always looking for more addicts to join, last month the group voted and decided to keep the time, day and place of the meeting the same. We do want to make the area aware of the verification issue, our zoom account decides when it wants us to verify we are real and the code is being sent to a location that at this time that we are

unable to access. The subcommittee also discussed the concern about policy stating if you are on admin you would need to step down/not take a GSR position. As a reminder please be acquainted with the sunset coast asc policy prior to quoting it. If you need a copy of policy it will be attached to the minutes each month however a paper copy can be made available for new GSR's.

11. GSR REPORTS

BREAKFAST CLUB

GSR: Katt M

The Breakfast Club meeting is a solutions meeting based on how to get off drugs and live a better life.

We meet at 8:15 am 7 days a week on Zoom and two days a week are Face to Face meetings. Those two days are Monday and Friday, at the TLC clubhouse. (The Zoom ID is 824 2643 3557 and the password is BREAKFAST)

Our meeting has been between 15-30 ppl in attendance. The Monday meeting is centered around the "Living Clean," book, Tuesdays we have been reading a story from the back of the basic text and discussing it, and the other days are topic based or Chairpersons choice.

We are donating 90 little white booklets to H&I and also donating \$3.03 to Area this month.

We did a group inventory on our Home Group. To do this, we downloaded a Group Inventory Form for NA from the Internet. The purpose of a group inventory is to discover if the group is fulfilling its primary purpose. The group inventory is never a forum to take another persons inventory. What we inventory is how well the group functions. And What we discovered after the inventory was that some of the answers were different depending on if we were answering them for our in person meetings or a zoom meeting. It seems as if some members feel as if there is not as much unity when it's zoom as when it's F2F. We are investigating ways to approach this. If anyone has any information or experience with this from your Homegroup, let us know.

Also, we have 2 Homegroup members celebrating CleanTime this month.

Lynzie has 1 year clean on March 22 and she will be sharing her ESH at the in person meeting on Friday April 1. And Gordon will be celebrating 37 years on Monday, March 28. He will be sharing his ESH on that day at the F2F meeting. So come on out or log in those days to hear them share!

Thank you for letting me serve
