DEFINITION OF AN AREA SERVICE COMMITTEE

An Area Service Committee (ASC) is a committee made up of representatives (GSRs) from groups within a designated area, administrative committee, and subcommittee chairs, who meet monthly for the express purpose of serving the specific needs of its members' groups. The most important service that an ASC provides is that of its groups' needs. Whenever a group has a specific situation or need which it has not been able to handle on its own, it can come to its Area Service Committee for help. These situations are almost limitless in scope; however, we have learned that we can get much accomplished when we work together.

An ASC performs other functions which are of help to the groups. It can help groups get started or give aid to floundering groups. It may hold workshops or seminars to train trusted servants. The point is that an ASC handles whatever functions are necessary or helpful to its groups. In order to provide these services, an ASC needs the active participation of its GSRs. A group supports its Area Service Committee both financially and emotionally. It takes money to provide these services. It is the groups' responsibility to offer this support. However, as an Area grows, the financial needs of the committee also grow. In order to provide a full line of services, it requires a steady, reliable flow of money. Some areas provide these funds through activities. These alternative sources of financial support are helpful, but the bulk of the responsibility still falls upon the members of the NA groups.

RESPONSIBILITIES OF ADMINISTRATIVE BODY

The Admin committee is responsible for finding a meeting place and location for the ASC. The time, day and location will be determined by a group conscience of the Admin committee in the event of a change in meeting place.

The Admin committee works together to get through the business of the day, while staying in the context of the ASC meeting format.

The Admin committee plans a Trusted Servant's Workshop twice a year including both the Area and the group level in scope.

ASC OPERATING BUDGET Updated March 2025

After monthly expenses have been paid, any monies in excess of prudent reserve will be forwarded through the service structure in the month that Region meets. The months that Region does not meet, these monies will be held in the Sunset Coast Area Bank Account. Monies sent through “the service structure” are defined as 100% unless South Florida Region is in excess of prudent reserve, in which case, Sunset Coast Area will then donate 25% to NA World Services and 75% to South Florida Region. This is pending a vote from the GSRs present, before any monies are sent to Region or World. When ASC bank account balance reaches \$750.00, we will freeze all non-essential spending. Essential spending is limited

to Area Zoom, Area storage, Area Subcommittees' rent, GoDaddy, and basic essential literature for Area groups (limited to key tags, medallions & starter kits). Any monies returned to the Area from the SWFL Unity Day, will be deposited into Area savings account. All withdrawals and deposits from and to this savings account will be in support of SWFLCNA and a separate ledger will be maintained documenting all deposits and withdrawals for this account.

6. Each nomination must be seconded.
7. After accepting nominations, the ASC Chair will ask if there are any other nominations.
8. A motion is made to close nominations.
9. Each nominee must be present. Verbal qualifications are now given, as well as written qualifications handed or emailed to the ASC Secretary. (e.g., clean time, prior service experience and why you want to serve the fellowship). Written qualifications will not be accepted for absent nominees.
10. Prior involvement shall be defined as any consecutive time period during their recovery. ASC experience or participation shall be defined as GSR, Administrative Committee, or Subcommittee Chair. All Area Service Committee members hold office in the NA fellowship only.
11. All ASC nominations must go back to the groups with the exception of an elected ASC officer moving from Vice or Alternate position to fill position.
12. In the event the nominee does not meet clean time requirement, a motion will automatically go back to groups to waive clean time.

ELECTIONS OF OFFICERS OF THE ASC

1. Elections are brought back to the ASC and elections are held quarterly as follows:
 - January (to December): Area Chair, Area Vice Chair, Activities Chair, H&I Chair
 - April (to March): Secretary, Alternate Secretary, PR Chair
 - July (to June): Treasurer, Alternate Treasurer, Lit Chair
 - October (to September): RCM, Alternate RCM, Policy Chair
2. Voting is done by closed ballot, written on paper, votes counted by ASC Secretary. Majority wins. (One more than half).
3. In case of only one nomination, a 2/3 majority vote is required. If a 2/3 majority is not received the position goes back to the groups for further nominations.

4. When there are more than two nominations, if no candidate gets a clear majority, the following will be done: A vote will be taken. The nominee with the least number of votes will be dropped and another vote taken of the remaining candidates until there are two nominees left. The one who gets the majority of votes is elected.
5. All Alternate/Vice positions get a priority vote of confidence, (a formal process in which present Group Service Representatives vote in order to indicate whether or not they support the Alt/Vice assuming the relative position) requiring a 2/3 majority vote. If a 2/3 vote of confidence is not given, the Alternate becomes a nominee for that position. Alt/Vice must meet all qualifications, and nominations will go back to the groups for voting.
6. It is recommended that no officer should serve more than two consecutive terms in the same position. In the spirit of rotation, a term is considered to be one year from the month of election. In the event of a partial term, the term still ends in the corresponding month.
7. Each person can hold only one voting position.
8. Upon election, members shall resign from all other Area service positions except as a member of a subcommittee, group secretary or a group treasurer.
9. Should an office be vacated in the middle of the term, a temporary shall hold the position until standard nominations and election procedures can be followed to fill the vacated position. All nominations are solicited for one (1) month before being brought back to the ASC.
10. A requirement for a service position in the Sunset Coast Area is attendance at regularly scheduled NA meetings.

MOTIONS AND VOTING PROCEDURES

1. All ASC meetings are open to all NA members - they DO have a voice on the floor.

Voting participation is any recognized GSR within the area, Alt GSR, or any member of a home group (HG) who was given a vote of confidence by their HG, and is representing their HG at Area. There is only one vote per group.

Representation is defined as having a GSR, Alt GSR, or proxy in attendance (a proxy is any home group member who was given a vote of confidence in their last business meeting); or providing a written report to the Admin Committee prior to the ASC meeting. Submitted reports do not constitute representation but will secure a place on the meeting list and votes should be counted in old business at ASC. A group that has been represented in person at two consecutive ASC meetings, at their request, can become a Voting Group. Any group that wishes to remain as a Non-Voting Group may do so at their request (the purpose of which is to establish an accurate quorum).

6. All motions must be submitted to the Admin Committee, in writing, by the break. All motions must include an explanation of intent. Motions will be read by a member of the Admin Committee during New Business. Motions must be seconded, on the floor of the ASC, by a member listed above, in #2, or they die on the floor. All policy motions must be submitted to the Policy Subcommittee before being submitted.

7. After a motion is made, read, and seconded by an appropriate person, the Chairperson asks for opposition (con). If there is no opposition stated:

- a. If the vote can be called on the floor, a vote count is taken.
- b. If the vote cannot be called on the floor, it will go back to groups.

If there is opposition stated:

- a. Maker of the motion is given the opportunity to speak on the intent of the motion.
- b. The floor is then open for debate (refer to Parliamentary Procedure Guidelines). Debate can include up to 3 cons and 3 pros (including the intent). Debate should not last for more than 6 minutes per motion.
- c. If the vote can be called on the floor, a vote count is taken.
- d. If the vote cannot be called on the floor, it will go back to groups.

8. All money motions asking for more than \$75.00 need to go back to the groups, except normal operating expenses. Normal operating expenses are listed in the ASC Budget and also include necessary expenditures for the Literature Box. Money motions \$75.00 and under may be voted on the floor.

9. At any time, a member of the ASC can ask to have a vote cast by ballot.

10. Additional Voting Guidelines:

- b. There is only one vote per group.

c. The Administrative Body (RCM or Alt RCM in the RCM's absence, Chair, Vice Chair, Secretary and Treasurer) vote as a collective (or vote-of-one) to break a tie. If a tie exists, it is put back on the floor for further discussion and again voted upon.

d. A two-thirds majority vote is needed for policy change, amendments to policy, forming new policy, and election of officers.

Removal of Officers:

1. Voluntary: Member gives notice to the ASC Chair, one month prior to vacating the position.

2. Involuntary:

a) After two unexplained absences during term of office. Unexplained is defined as no call, no show, and no provision made for coverage of commitment.

b) When relapse occurs during term of office.

WHAT IS AN NA GROUP?

Pg. 26—Guide To Local Service REV 04-010

When two or more addicts come together to help each other stay clean, they may form a Narcotics Anonymous group. Here are six points based on our traditions which describe an NA group: 1. All members of a group are drug addicts, and all drug addicts are eligible for membership. 2. As a group, they are self-supporting. 3. As a group, their single goal is to help drug addicts recover through application of the Twelve Steps of Narcotics Anonymous. 4. As a group, they have no affiliation outside Narcotics Anonymous. 5. As a group, they express no opinion on outside issues. 6. As a group, their public relations policy is based on attraction rather than promotion.

WHAT IS AN NA MEETING?

Pg. 28-Guide to Local Service

NA meetings are events at which addicts share with one another their experience in recovery and in the application of the Twelve Steps. While many—if not most—NA meetings are in fact hosted by an NA group, other NA meetings occur all the time: informally among friends, at large area or regional speaker meetings, at conventions, in schools, institutions, and so forth. The NA group is an entity; the NA meetings may be held without the sponsorship of an NA group.

Meeting and Group Procedures:

1. All new groups should register and be given a group starter kit, if needed. The starter kit will include: Four white key tags, Two of each of the other key tags (up to multiple of years), Two of each IP's #1 Who, What How and Why, #6 Recovery and Relapse, #7 Am I an Addict?, #8 Just For Today, #9 Living The Program, #12 The Triangle of Self-obsession, #16 For the Newcomer, #19 Self-Acceptance, #22 Welcome To NA, #24 Hey What's the Basket for? One NA white booklet and one Group Booklet.
2. New groups should have a GSR and a Secretary before going on the meeting list.
3. To be put on the meeting list and helpline, a representative from the meeting must attend two consecutive ASCs.
4. If the representative of the meeting misses two consecutive ASCs, a vote will be called on the floor of GSRs to determine whether the absent group is taken off the meeting list and helpline. This will happen during roll call.
5. A meeting does not have a vote on the floor of the ASC.
6. For a meeting to become a group, they must have attended two consecutive ASCs and announce their group status on the floor of the ASC during roll call.

Sample Rules of Order

On the following pages, you'll find a simple set of rules of order. They have been adapted from Robert's Rules of Order, Newly Revised, which in turn are based on the Rules of the US House of Representatives. These sample rules differ in some details from Robert's Rules of Order where some other body of parliamentary rules is more commonly used by deliberative assemblies. Service committees may want to consider adapting these rules so that they conform to those commonly used in their own lands.

DECORUM STATEMENT

Meetings will be conducted according to these rules of order, adapted from Robert's Rules of Order. This time-honored system for conducting business is the clearest way yet devised for getting a maximum amount of business done in a minimum amount of time, regardless of the degree of disagreement among the participants. These rules are meant to be used as tools to help us make orderly collective decisions in a cooperative, respectful way, in the spirit of our Twelve Concepts; please do not use them as weapons against one another. We encourage all participants to become familiar with these rules of order and conduct themselves accordingly. Once the meeting is underway, only one matter will be before the committee at any one time and no other discussion is in order. Please respect the Chair's right to be in control of the process of this meeting so that you can have maximum benefit of its content.

DEBATE, LIMITS

Debate is the formal exchange of views on an idea. Unless otherwise specified, debate on both main motions and parliamentary motions is usually limited to two or three (speakers for and against the motion). Speakers addressing a motion debate usually have two or three minutes in which to speak their minds.

MOTIONS

There are two basic types of motions. It is important to understand the difference between them. The two kinds of motions are main motions and parliamentary motions.

MAIN MOTIONS

A motion is a statement of an idea a committee member wants the committee to put into practice. After being recognized by the Chair, the member says, "I move that such-and-such be done by (this committee, one of its subcommittees, or a particular individual) under these terms." The member making the motion then speaks briefly about why the member feels the idea is important; this is called speaking to the intent of a motion. Because the exact wording of all motions must be recorded in the minutes, the maker of the motion should write it out whenever possible. This is especially important for long or complicated motions.

Every motion requires a second—the backing of another member who either wants the idea put into practice or simply wants to see further discussion of the idea take place. After one member makes a motion, the Chair will ask whether the motion has a second. The member to second simply raises a hand and, when recognized by the Chair, says, "I second that." If no member seconds a motion, the Chair will say, "The motion dies for lack of a second." This means that the idea will not be discussed any further because there is not enough interest in it. The committee then moves on to other business.

Once a motion has been made, the Chair may rule it out of order. A motion may be ruled out of order for any one of a number of reasons: the motion goes against the committee's standing policy, clearly contradicts one of the Twelve Traditions or Twelve Concepts for NA Service, or is inappropriate at the particular point in the meeting at which it is made. Robert's Rules of Order can be consulted for more specific examples of motions which are out of order at any given time. Any member of the committee who wishes to challenge a ruling made by the Chair may appeal that ruling, as described below. If no appeal is made, or if the decision of the Chair is upheld, the committee moves on to other business.

PARLIAMENTARY MOTIONS

Parliamentary motions can be best understood as "sub-motions" made during debate on a main motion that affect that motion in some way. There are many more of these than space and practically permit us to include here, but a few that seem to be the most practical are discussed below.

1. Motion to AMEND

SIMPLE majority required. Is DEBATABLE.

This is perhaps the most commonly used parliamentary motion during debate on a motion. If a member feels that the motion would benefit from a change in its language, that member can say, "I move to amend the motion..." and suggest specific language changes in the motion. Ordinarily, an amendment must be moved and seconded before it can be debated. When debate on the amendment is exhausted, the body votes on the amendment. Then, debate resumes on the merits of the main motion (as amended, if the amendment has been carried). When debate is exhausted on the merits of the main motion itself, a vote is taken and the body moves on to the next item of business. If an amendment is offered and the members making and seconding the original motion accepted it, no second is required, no debate is called for, and no vote need be taken on the amendment; debate proceeds as if the main motion had been formally amended. This is called making a friendly amendment.

2. Motion to call the PREVIOUS QUESTION.

TWO-THIRDS majority required. Is NOT DEBATABLE.

For our purposes, this may be the most important parliamentary motion. Use it often. This motion is made by a member saying, "I call for the question," or "I move the previous question." It is another way of saying, "I move that the debate stops right now and that we vote immediately." This is one of many motions that can be used to prevent needless, lengthy debate once an issue is clearly understood. This motion is in order after any speaker is finished. You need not be called on. The Chair must recognize the member making this motion, and a vote must be taken with no debate. If two-thirds of the body feels that no more debate is necessary, then it is time to vote and move on.

One point worth making about this motion is that the member must be careful not to squelch debate before an issue has been thoroughly aired. Be sure to vote "no" to this motion if confused about the issue at hand or unsure of how to vote. By allowing debate to continue, half-baked decisions and half-understood questions may be avoided. On the other hand, the liberal use of this motion makes it unnecessary for the Chair to be heavy-handed in stopping discussion, because the Chair knows it will stop soon enough.

3. Motion to TABLE.

SIMPLE majority required. Is NOT DEBATABLE.

One way of disposing of a motion that is not ready for a vote is to table it. This is done by saying, "I move we table this motion until such-and-such a date/meeting." This motion is not debatable; if it is made and seconded, it is voted on immediately. If it fails, debate continues on the motion itself. If it passes, the

committee moves on to its next item of business. The tabled motion will be included in the committee agenda on the date specified.

4. Motion to REMOVE FROM THE TABLE.

SIMPLE majority required. Is NOT DEBATABLE.

A motion that has been tabled can be taken up before the time originally set in the motion to table. This is done by saying, "I move to remove from the table the motion to such-and-such." If this motion passes, the motion that had been tabled becomes the main motion and debate on it begins again. If the motion to remove from the table fails, the body moves on to the next item of business.

5. Motion to REFER.

SIMPLE majority required. Is DEBATABLE.

Sometimes the committee does not have enough information to make an immediate decision on a main motion. Such motions can be removed from debate and sent to either a standing subcommittee or an ad hoc committee for further study. This can be done by a member saying, "I move to refer the motion to the such-and-such subcommittee." If the motion to refer is seconded, the body may debate it before voting. If the motion to refer passes, the committee moves on to its next item of business. If the motion to refer does not pass, the committee either continues debate on the main motion or votes on it.

The subcommittee to which a motion is referred will take it up at its next meeting. The subcommittee will report back on what it has come up with at the next meeting of the full committee.

6. Motion to RECONSIDER or RESCIND.

MAJORITY required varies. Is DEBATABLE.

Sometimes a member feels that a motion the committee has passed will prove harmful. That member can move to either reconsider (reopen for debate and voting) or rescind (void the effect of) the original motion.

There are a few conditions on motions to reconsider or rescind:

- a) The motion must have been passed in either last month's, or the current meeting.
- b) The member making the motion must have information on the issue that was not available in the original debate on the motion.
- c) The member must have been with the winning side in the original vote.

These limits are placed to protect the committee from having to reconsider again and again the motions it passes while still allowing it to examine potentially harmful situations it has created inadvertently. If any of these requirements are not met, the Chair will declare the motion out of order.

The motion to reconsider requires a simple majority.

The motion to rescind requires a simple majority, provided that committee members were informed prior to the meeting that such a motion would be made. If prior notice is not given, the motion to rescind requires a two-thirds majority.

7. Request to WITHDRAW A MOTION.

UNANIMOUS CONSENT required. Is NOT DEBATABLE.

Once a motion is made and the debate begins, the maker of the motion may ask to withdraw it. The Chair asks if there are any objections. If there is even one objection, the motion stays on the floor and debate resumes. If there are no objections, the motion is withdrawn, and the body moves on.

8. Offering a SUBSTITUTE MOTION.

SIMPLE majority required. Is DEBATABLE.

A substitute motion is the same thing as an amendment to a main motion. The only difference is that it is offered to entirely replace the original idea, instead of merely revising a portion of it. It is handled in the same way an amendment is handled.

9. Motion to ADJOURN.

SIMPLE majority required. Is NOT DEBATABLE.

Any voting member may move to adjourn at any time. This motion is always in order, is not debatable, and requires a simple majority to pass. Obviously frivolous motions to adjourn may be ruled out of order. After all business is finished, the Chair may declare the meeting adjourned without a motion.

OTHER PROCEDURES

In addition to parliamentary motions, there are other ways in which members may alter or clarify the proceedings. Here are a few of the most common:

Order of the day

If a committee member feels that business is going too far astray from the original agenda, that member can help get things back on track. The member says, "I call for the order of the day." This means, "I move that the Chair brings us back on track and conduct the meeting according to procedure, adhering to the agenda." This does not require a second, is not debatable, and does not even require a vote – the Chair is obligated to enforce the request unless two-thirds of the body tell the Chair otherwise.

Point of information

If a committee member needs certain information before making a decision about a motion at hand, that member can say, at any time, to the Chair, "Point of information." This means, "I have a question to ask," not "I have information to offer." One does not need a second to raise a point of information; it is neither debatable nor to be voted upon. The person raising the point of information may ask the question of either the Chair or another member of the body.

Point of order

If it appears to a committee member that something is happening in violation of the rules of order, and if the Chair has not yet done anything about it, the member can ask the Chair for clarification of the rules at any time. The member may simply say out loud, "Point of order." The Chair then says, "What is your point of order?" The member then states the question and asks the Chair for clarification. If the Chair agrees that the rules are not being followed, the Chair says, "Your point is well taken" and restates the appropriate rule. If the Chair does not agree, the Chair says, "Overruled." This decision, as all others, can be appealed.

Point of appeal

Any time the Chair makes a decision, that decision may be appealed. Any voting member who wishes to appeal a decision may do so by saying, "I appeal the decision of the Chair." If the appeal is seconded, the Chair then asks, "On what grounds do you appeal my decision?" The member states the reasons. The Chair then speaks briefly to the intent of the ruling being appealed. The body may then debate the ruling and the merits of the appeal. A vote is taken, requiring a simple majority to overrule the original decision of the Chair.

Parliamentary inquiry

If a committee member wants to do something but doesn't know how it fits in with the rules of order, all the member has to do is ask. At any time, a member may simply say out loud, "Point of parliamentary inquiry." The Chair must immediately recognize the member so that member may ask how to do such-and-such. The Chair will answer the question, possibly by referring to a specific passage in this document in explanation. A point of parliamentary inquiry needs no second, is not debatable, and is not voted upon.

Point of personal privilege

If the smoke is getting too heavy, the air conditioner or heater is on too high, or if there is too much noise in the room, members may ask that something be done about it. If the matter is urgent, members may interrupt the proceedings by saying, "Point of personal privilege". If the matter is not particularly urgent, members are encouraged to wait until the member speaking has finished. Such a request generally requires no second, and the Chair must recognize the member immediately. State the situation and ask that it be corrected. If the request seems reasonable, the Chair will accommodate.

VOTING PROCEDURES

There are several ways that votes can be taken. The most commonly used method is the show of hands. With rare exceptions, votes will be taken by a request for the Chair to see the hands of all in favor, then all opposed, then all abstaining on each issue. The Chair should ask for all three categories every time, just to be thorough, even when the majority is overwhelming.

These are only brief notes on rules of order for business meetings. For further information, see Robert's Rules of Order—Newly Revised.

SUNSET COAST AREA SERVICE SUBCOMMITTEES

ACTIVITIES: The purpose of the Activities Subcommittee is to promote unity and fellowship for the Sunset Coast Area of NA, in a recovery-based atmosphere.

PUBLIC RELATIONS/HELP LINE: The purpose of the Public Relations (PR) Subcommittee is to carry the NA message in accordance with the 12 Traditions of NA. To open and maintain lines of communication between the public and NA so that the message of recovery is readily available to addicts seeking recovery and to non-addicts seeking information.

HOSPITALS & INSTITUTIONS: The purpose of the Hospitals and Institutions (H&I) Subcommittee is to carry the NA message of recovery into Hospitals and Institutions where addicts cannot get out to regularly scheduled meetings. It may also carry a meeting into a facility where such a meeting better suits the needs of addicts within the facility, such as a detox unit or a Rehab where residents need to hear the message of recovery. To make recovery more available to addicts in facilities, the H&I Subcommittee initiates, sponsors, coordinates and conducts H&I meetings, but may also use other methods such as distributing literature and meeting lists.

LITERATURE: All conference approved literature published for NA is produced from within the fellowship. Individuals may initiate these items, but the group conscience is obtained initially through the efforts of the Area Committee by initiating and producing review form items. They should also use meetings and/or workshops to collect input from the fellowship about approval from literature so that a true group conscience can be forwarded through the service structure to the World Service Conference. Distribution of literature is done at the monthly Area Service Committee meetings and is also available as required throughout the month.

POLICY: Considers any input referred by the ASC that affects the policy of the ASC and upon deliberation gives recommendations to the area. When necessary, the vote count is included. Also, gives a written response to any issues regarding Tradition violations. When the Policy Subcommittee cannot reach a unanimous decision, the issue will be forwarded to the World Service Board of Trustees. The Policy Subcommittee will update the policy as needed.

AD HOC COMMITTEE: Ad hoc committees are set up by willing members for specific purposes and have limited lives. When they have finished their jobs, they are disbanded. In creating an ad hoc committee, the Admin of the ASC body should clearly specify what the committee's purpose will be, what authority and resources it will be given, and how long it should take to complete the job. Then the Chair may appoint a willing ad hoc Committee Chair who will put the ad hoc committee together later. Whether or not the ad hoc committee will occur will be decided by a vote, by GSRs, on the floor, as the need for ad hoc committees arises. Once the ad hoc committee's work is completed, the committee is dissolved.

GENERAL PROCEDURES FOR ANSWERING HELPLINE CALLS

1. Answer calls by saying, "Hi my name is _____ and I'm a recovering addict. How may I help you?"
2. Try to find out if the person is in any immediate danger. e.g., overdose, suicide threats, seizures, child abuse or homicide. **If you have reason to believe that any of these things are taking place, try to get their name and address then call 911 immediately!!! If you are not completely sure what is happening but suspect that it is even a remote possibility, contact the Chair or Vice Chair immediately for advice.**
3. If the caller is not in danger, go ahead and give them the information that they request such as meeting times, locations, or information about NA in general.
4. Ask the following questions: a. Is the caller an addict or do they think they have a problem with drugs? b. Has the caller ever attended an NA meeting? c. What area are they calling from? d. Would they like to attend an NA meeting? e. Would they like someone to be there at the meeting to greet them? f. Do they have transportation?
5. If a referral is necessary such as a detox, hospital, treatment center or other fellowships or programs, **Make sure that you state the following disclaimer before giving any referrals:**

"AS A MEMBER OF NARCOTICS ANONYMOUS, I DO NOT ENDORSE OR OPPOSE ANY CAUSES, OUTSIDE INSTITUTIONS OR OUTSIDE FACILITIES OR TREATMENT CENTERS, HOWEVER IF YOU WISH, I WOULD BE HAPPY TO SUPPLY YOU WITH A NUMBER YOU CAN CALL TO GET THE INFORMATION THAT YOU NEED."

This must be done to ensure that we do not violate our 6th and 10th Traditions!!! Never...Never...Never...give a referral without first stating the above disclaimer, and never endorse anything other than Narcotics Anonymous, but also keep in mind that we are acting as a service to the community and that referrals are necessary to fulfill our goals as a Helpline.

6. If a family member or a significant other calls, refer them to one of our open NA meetings where they should be welcome to attend or to NarAnon if any meetings are available. **Remember that NarAnon is also an outside fellowship, and the above disclaimer must be stated before you give the referral.**
7. If the caller requests to see someone in person or needs a ride to a meeting, tell them you will contact someone, and they will get back to them ASAP. Then start calling people on the 12th Step-list you have been provided with, until you get someone to commit to the 12th Step call. **It is a good practice to follow up on the 12th Step person, to find out how things went. If there were any problems, you can take it to the next Subcommittee meeting and hash it out with the membership.**
8. **Never call a person back on a personal basis. We are about NA service exclusively as Helpline volunteers!!!**
9. Remember to refer to the flow chart and the "Guide to Phone Line Service" when you are unsure of how best to proceed with a situation. If you can't find the answer there, contact the Chair or other Subcommittee members before continuing. **REMEMBER, TOGETHER WE CAN!!**
10. **NEVER WAR STORY WITH CALLER** - You are welcome to share your experience, strength and hope with them, but only as this is pertinent to your recovery in Narcotics Anonymous.

11. If anyone calls requesting literature, a presentation, guest speakers, new H&I meetings or a complaint about any NA representatives in a facility, **NOTIFY THE CHAIR IMMEDIATELY.** This way, the request can be channeled through the proper subcommittees and fulfilled in a timely manner.

12th STEP LIST MEMBER GUIDELINES:
