9. RCM Report:

To Sunset Coast Area,

- SFRNA Service Conference convened on July 19th at the Holiday Inn in Nokomis. There isn't much to report this month, so my report will be a bit shorter than usual. There are a number of events to highlight; fundraisers and such on the other coast, as well as the Peace River Campout on this coast December 4th-6th and the Spiritual Retreat in Big Pine Key hosted by the Conch Republic Area from October 8th-11th. The registrations are live and the flyers for these two events will be attached to my report, as will the flyers for all events mentioned

(excluding the two events mentioned by Gold Coast. The full Regional minutes will also be attached. There are a few motions for the groups to be voting on. All motions will be detailed below.

- Gold Coast will be hosting a “Clean But Crazy” picnic on September 7th in collaboration with South Broward at Snyder Park in Fort Lauderdale. As of now, there is no further information, but as soon as it becomes available, I will share it. The RCM from Gold Coast also mentioned a collaboration between the Florida Region and South Florida Region regarding a “United We Slide” event, but I can’t find any information about that on either Regional website. As soon as I obtain the information, I will make it available to all. They are also hosting a service structure workshop on Zoom on the 25th of August at 8:30 p.m. Meeting ID: 848 4130 4851 Password: Service with a capital S.
- North Dade will be hosting a “Caribbean Nights” event August 22nd in Miami. See flyer for more info. They are also hosting an H & I Gratitude Dinner All White Affair November 28th also in Miami. See flyer for more info. The North Dade Convention Committee is hosting a Caribbean Cruise in January from the 22nd to the 25th, departing from, you guessed it... Miami. All the booking info is on the flyer attached to my report. A \$200 deposit is required by September 5th to reserve your cabin. The Convention Committee is also hosting The Legacy of Recovery a sponsor/sponsee event on the 26th of September in Miami. The made a really a nice flyer you can obtain further info from attached to my report.
- Peace River is hosting a 14th Anniversary Dinner and Dance event August 29th in Port Charlotte. See flyer for info. The registration flyer for the campout in December is attached below.
- The South Broward Convention will be held in Weston on October 23rd to the 25th. See flyer for more info. The South Broward RCM added a point of information to his report. I’ve highlighted the clarification regarding COI below.
- I’d like to share a clarification regarding insurance for our groups and our special events, because this has generated several questions. The important point is that all of our registered NA groups are already covered under the South Florida Region’s insurance program. If a meeting facility asks for a Certificate of Insurance, or COI, the Region can provide one naming that facility. However, if the facility doesn’t request one, the group does not need to obtain a COI simply because they meet there. The insurance coverage is already in place. Special events are different. Every Area-sponsored special event should obtain its own Certificate of Insurance through the Region. While it is issued by the same insurance underwriter that provides coverage for our groups, it is actually considered a different policy. That COI should name or indemnify the event facility, even if the facility doesn’t specifically ask for it. Doing so protects the Area, the Region, Narcotics Anonymous, and the venue hosting our event.

So, the distinction is simple:

o Our regular meetings are already covered, and a COI is only needed if the meeting facility requests one.

o Special events require their own event-specific Certificate of Insurance to properly protect everyone involved.

- Jon, our RD (Regional Delegate), reports as far as the World Board and NAWS goes, moving forward, conference sessions are going to be based more around discussions and less around decision making. The topics most discussed during this conference cycle were in reference to the IDTs Issue Discussion Topics): Gender neutral and inclusive language, disruptions and predatory behaviors in meetings, DRT's and MAT's, and finding ways to make NA service more attractive. The consensus was more about sharing ideas rather than motions and voting.
- Mahdi, our AD (Alternate Delegate) reports: The U.S. Collaboration of Zones met on Sunday, July 12, with the next meeting scheduled for October 11, 2026. Discussion included zonal reports, updates from SFRNA RSC JULY 2026 - 20 Communication, Information Technology, Public Relations, and other service efforts, as well as the addition and revision of policies within the collaboration guidelines. Our regional escrow balance has declined from more than \$500 in May to \$187 as of July 12, so careful attention to future expenses and contributions will be important. The Southeast Zonal Forum will hold a fully virtual meeting hosted by North Carolina on July 25, together with the first Collaborative Planning webinar of the new cycle. Several service resources and Fellowship-review items are moving forward. A newly revised H&I Basics resource is expected soon, with updated sections addressing treatment, corrections, and H&I committees. GWSNA is currently in a 90-day delegate feedback period. NA World Services also has a Participation Request Form that regions may use to invite World Board members to regional events and request assistance with workshops. In addition, IP #1 is available for Fellowship review through October. Four proposed revisions address gender-neutral and inclusive language while continuing the broader Fellowship conversation before any final decision is made. Other current discussions include Bulletin #29 concerning methadone and other drug replacement programs. The bulletin, originally created by the Board of Trustees in 1996, has been removed from NA.org because there is not currently a Fellowship consensus to recognize it as approved literature. The next Collaborative Planning web meeting will focus on four questions about how NA can be more welcoming to newcomers, with participants discussing the questions in breakout rooms. This topic reflects one of the WSC's central priorities: strengthening connection, mentorship, belonging, and respectful

service so that newcomers feel welcomed and the message remains available to every addict seeking recovery.

- **EYE OF THE HURRICANE:**

Eye of the Hurricane Homegroup Report

We have some exciting news from Eye of the Hurricane!

Starting Sunday, November 1st, we will be changing the format of our Sunday night meeting to a Newcomer Meeting. We feel it is important to have a meeting in our area that is specifically labeled and dedicated to the newcomer.

The new monthly format will be:

Week 1: Step One

Week 2: Step Two

Week 3: Step Three

Week 4: An IP of the speaker's choice

Week 5: Special speaker/format when applicable

Each week, the speaker will share for approximately 10–15 minutes on the topic, and then the meeting will open for sharing.

We already have some great speakers lined up:

November 1st – Step One: Gary K. will be sharing and celebrating 3 years!

November 8th – Step Two: Chris R. will be sharing and celebrating 10 years!

Stay tuned for our Week 3 and Week 5 speakers.

Annual Thanksgiving Feast – November 22nd

It's also that time of year for the Eye of the Hurricane Annual Thanksgiving Feast!

On November 22nd, we will begin serving food at 5:30 PM and continue until the meeting starts at 7:00 PM. We will be putting out a sign-up sheet and asking the groups throughout the area to help by donating or bringing a dish.

Paul D. from the Peace River Area will be joining us that evening.

We are also working on bringing back the 2nd Annual Hot Dog Eating Contest! More will be revealed!

Eye of the Hurricane has struggled this year with both attendance and 7th Tradition. We are hopeful that this new newcomer-focused format, along with support from the area

and our fellow members, can help bring new life and energy to the oldest Homegroup in our area.

Please come out, support the meeting, and most importantly, help us make sure the newcomer has a place where they feel welcomed and can learn about the first steps of recovery.

Thank y'all for letting me serve.
